EDUCATION

- Utah State University

One of the greatest perspectives I bring to the White City Council comes from deep community roots. My family has owned my home for over 65 years, original owners since 1959. Living next door to Bear Park has given me a lifelong appreciation for the bond it creates in our community and a desire to see it progress while preserving it as a community gathering place.

Growing up with the canal behind my home, now the canal trail in its place, also gives me a unique perspective on positive change and valuing progress that enhances quality of life while respecting character.

In executive leadership career positions at two Universities my work was highly valued by Professors, Department Heads and Deans. Skills include hiring and managing administrative staff, solving student problems, hosting Institutes, and using creative skills in career path advertising, all which strengthened my leadership, organizational, and problem solving skills.

I was fortunate in life not to have to rely on a financial career, and because of that, the majority of my life has been devoted to volunteer service. I taught a daily early morning class for high school students for 7 years, served for 11 years as President of a youth organization ages 12-18 years, served as President of a large Women's organization for 5 ½ years, provided leadership at youth camps for more than 20 years, and offered photography services for worldwide programs, to name a few.

I work well within councils, committees, and leadership teams to make thoughtful decisions. I value building positive relationships based on respect, cooperation, and common purpose.

I'm proficient in speaking to small and large groups and at bringing out the best in people to recognize their strengths. I have often been called upon to unite people, inspire participation, and help find peaceful, practical solutions when differing opinions arise. Others describe me as one who goes the extra mile, thinks creatively, and magnifies responsibilities.

I believe in respecting law, supporting responsible leadership, and serving with integrity. It brings me great joy to be a positive influence and help communities achieve best possible outcomes through cooperation.

It would be an honor to serve the residents of White City as a member of the White City Council. I am confident that my lifelong connection to this community, along with my leadership experience and commitment to public service, would allow me to make meaningful positive contributions to the council and our community.

Thank you for your consideration.

Re: Letter of Intent for Appointment to White City Council seat D

Dear Mayor Allan Perry and Members of White City Council,

Please accept my experience and desire to serve our community on White City Council. It would be a privilege to serve the community that has been home to my family for generations and to help guide White City's future.

I have a long investment in White City's history, respect and dedication to its residents, and a commitment to its future. Growing up next to Bear Park and having the canal trail behind my house has inspired me to be a thoughtful advocate for improving, maintaining, and protecting our public spaces. My creativity and sense for design helps me envision the progress of even our small and odd shaped public spaces.

Overseeing several large additions and remodels on my home and yard, gave me experience and appreciation for what a resident goes through to improve their quality of life by improving their property. I'm experienced in working with the county and msd, in design, planning, building, zoning, getting permits and inspections, and following through with a result that improves quality of life and beautifies our community. I want to assist residents in realizing what they envision.

While having a long history in White City, I also spent time living and staying with children in other states from Oregon and California, to Florida, Pennsylvania, North Carolina, Michigan, and Chicago. These have given me experience living in tightly restricted HOA properties as well as rural areas with little restrictions.

I understand that council members represent every resident, and would approach each issue with fairness, integrity, transparency, and a willingness to consider different perspectives before making decisions. I feel confident evaluating situations and offering individual as well as community friendly recommendations. I'm a careful listener who values respectful discussion and thoughtful decision-making.

I support responsible growth, public safety, economic opportunity, and protection of the character and beauty of our community for future generations.

If appointed, I will work diligently to earn the trust of our residents and make decisions that are in the best interests of the entire community. It would be a privilege to serve and give back to the city that has given so much to my family over the years.

Although I was recently appointed to the White City Planning Commission, my experience and the good I could do is much better qualified and suited to White City Council. I appreciate your time and the opportunity to be considered for this important role.
